

DELIVERING BEAUTIFUL SMILES FOR YOUR PATIENTS

Our Straumann CARES® Prosthetics Portfolio delivers a leading range of customized materials and product offerings, giving your patients a customized, esthetic smile time after time. Choose from a multitude of stock and customized prosthetics to meet the needs of your patient's situation. When you choose original Straumann-quality products, coupled with our leading service and support offerings, you have an excellent foundation for restorative success. You're covered for the long-term with our Straumann Guarantee®*, so you and your patients can confidently smile today and tomorrow.

We are happy to connect you with our Straumann CARES Laboratories across North America. These labs are trained in creating Straumann CARES customized restorations, and are the perfect complement to your interdisciplinary team.

Make the right choice for your patients today with Straumann CARES customized restorations.

Contact your local Straumann Territory Manager for a list of Straumann® CARES® Laboratories in your area or visit www.straumann.us/labfinder
